I hereby acknowledge that the methods of testing at 21st Century Wellness are not medical in nature and that I do not desire to use them in any way to treat or diagnose any disease. I fully understand that the attending consultant is not diagnosing or treating any illness or disease, but is only measuring the energetic balance and overall stress responses of the body, and that these services may not be generally accepted and/or recommended by allopathic physicians or other health professionals. I hereby acknowledge that 21st Century Wellness, as a philosophy, belief, and fundamental policy, has made it clear to me that if I currently have, or in the future should develop any condition or disease, that I should seek the counsel and advice of competent, qualified individuals which may include allopathic doctors, surgeons, and other members of medical disciplines, who are experts in diagnosing and prescribing medical outcomes. 21st Century Wellness has made it clear to me that it is not their intention at any time to encourage me or any other person to discontinue the use of any medication I may currently be using, nor will I ever be instructed or encouraged to disregard the advice of other medical authorities including allopathic medical doctors.
